## SUMMARY

I'm a passionate Full Stack Developer with a keen eye for detail and a dedication to crafting efficient, scalable solutions. With expertise in modern web technologies, I transform complex problems into elegant applications.

## WORK EXPERIENCE

### Software Engineer , Kaay Labs, Chennai

May 2023 - Present

- Developed and maintained web applications using React.js, Node.js and MongoDB
- Collaborated with cross-functional teams to deliver high-quality software solutions
- Implemented responsive designs and ensured cross-browser compatibility
- Participated in code reviews and provided constructive feedback to team members
- Optimized application performance and reduced load times by 40%

### System Engineer, TATA Consultancy Services (TCS), Chennai

Mar 2021 - Dec 2022

- Collaborated with international clients from US and UK to gather requirements and resolve technical issues
- Developed and maintained enterprise-level applications using Java, Spring Boot, and Oracle
- Provided timely resolution of production issues and implemented bug fixes
- Participated in daily scrum meetings and sprint planning with distributed teams
- Documented technical specifications and maintained up-to-date system documentation

## TECHNOLOGIES & FRAMEWORKS

- |              |          |             |                |             |
|--------------|----------|-------------|----------------|-------------|
| • HTML & CSS | • NestJs | • NodeJs    | • AntDesign    | • Sequelize |
| • ReactJs    | • NextJs | • ExpressJs | • Tailwind Css | • Knex      |
| • TypeScript | • Vite   | • MongoDB   | • Material UI  | • MySQL     |

## TECHNICAL SKILLS

- Proficient Full Stack Developer with hands-on experience in managing end-to-end software development lifecycles (SDLC) and delivering scalable, high-quality web solutions
- Expertise in both front-end (React, JavaScript, HTML, CSS) and back-end technologies (Node.js, Express, MySQL) to craft responsive, user-friendly, and robust applications. Skilled in project management practices, leveraging Agile and Scrum methodologies to plan, execute, and deliver projects on schedule.
- Adept at utilizing tools like Jira, Trello, and Asana for sprint planning, task management, and progress tracking. Strong experience in collaborating with cross-functional teams, conducting requirements gathering, and ensuring seamless integration of software components.

## EDUCATION

### Bachelor of Computer Science

Sep 2019 - Oct 2020

Sadakathullah Appa College

- 8.6 CGPA
